

Camp Highlights

Rebel Volleyball Camp is geared toward all skill levels of players. It's an opportunity for athletes to experience the excitement of learning to play volleyball. Campers will be coached by members of the Northeast Rebel coaching staff, current college players from around the Midwest, current and past Rebels, and club coaches. We strive to not only teach the skills of volleyball, but also ensure each camper has a fun and memorable camp experience. Individual training combined with team concepts will get you in shape for your next season! These camps are designed to focus on all aspects of the game with an emphasis on fundamentals. You will also receive a camp t-shirt.
